Dear Peter and Sherie,

I wanted to take the time to tell you how much I value the extraordinary service you have provided not only to our firm, but to me personally.

From start to finish we had 26 days to move an operation that included people, documents, workstations, and fair amount of technology. I'm certain that without you both, it would have never been accomplished on time.

This was a very significant project for our firm. You both provided not only advice and direction for the move itself, but also on furniture purchase, design, and modification, including custom modular workstations, executive furnishings, and custom media rooms.

Because of your coordination, planning, and personal attention our move was completed a full day ahead of schedule. All of the teams of movers were professional, courteous, and a pleasure to work with.

Again, I want to extend my most sincere thanks. I am pleased with our results and look forward to our continued business relationship.

Sincerely,

Tara R. Stevens
