Regarding: Letter of Reference

To Whom It May Concern:

Over the past year and a few months, our company has formed a strong relationship with Clark, Duncan & Morris. They have served alongside us during our upward mobility and market share increases. All that growth brings infrastructure demands associated with MI Swaco's continued strategy. These changes require furniture, office relocation, and industrial logistics (and our most recent major undertaking) of a worldwide inventory parts HUB that supports our fluids and service teams worldwide.

We are part of a team, and this team is comprised of excellent staff, superior vendors, capable, competitive suppliers and proven trades that ensure that our company's needs are met, in a timely and cost effective fashion. One of these vendors is CD&M and specifically, Sherie L. Duncan fulfills the following services with exceptional attention to detail and urgency:

1. New Furniture
2. Modification of our office furniture systems
3. Domestic Relocation of employees
4. Commercial Office Moves Changes and Additions
5. Asset Management

I eagerly give my support and appreciation for this important team member and am excited for them. I am looking forward to seeing that BBB Award for Excellence!
