Regarding: Letter of Reference

To Whom It May Concern:

We wish to convey our experiences with Rob M. Clark and Sherie L. Duncan of Clark Duncan & Morris.

We have utilized this firm for our furniture refresh projects over the past two years. Currently we are in the midst of another refit and upgrade to our space. CD&M has been by our side working with us to identify best designs, effective use of personal workspace and general efficiency. Our current project culminates in February 2009, a project started in early 2008.

The products and services CD&M offers have expanded and been offered into our branch offices in Texas and Canada. Rob and Sherie have been available, responsive and cost effective every time we needed them. They have demonstrated professionalism throughout each bid process evaluation; continuing into the references check and procurement due diligence; they have surpassed all other bidders.

Clark, Duncan & Morris coordinates, oversees and performs each project with personal, on-site attention. They are a quality supplier and we are pleased to be a client. Please accept our letter in support for their application of the BBB Award for Excellence.
